

# Brian Holtz **Libertarian** for Congress

I'm interested in politics so that one day my kids will not have to be interested in politics.

Please don't feed the donkeys & elephants. It increases their output.

Just vote **Libertarian** until you're too free.

Not a **Liberal**  
Not a **Conservative**

Protect individuals from each other, not from their own informed choices.

How much **personal** & **economic** choice can you tolerate? Find out on the back.

## Vote **Libertarian** To:

Hunt terrorists instead of policing civil wars  
End subsidies for all corporations and farms  
End limits on speech in politics and media  
Abolish trade barriers and wage+hiring rules  
Protect the right of privacy and self-defense  
End all government banking and lending  
Control your own retirement savings  
Let all healers & insurers compete freely  
Let adults use any substance or medicine  
Legalize all consensual adult relationships  
Make schools compete for students & tuition  
Defend choice in procreation and risk-taking  
Oppose all mandates for worship or service  
End taxes on income, production, sales, gifts  
Tax only land, resource use/pollution, traffic
