Win a Free Country

Personal Freedom

- Defend due process & privacy
- Let peaceful adults own firearms
- No mandated worship or service
- Adult choice of any drug or medicine
- Legalize consensual adult relationships
- Adult choice in procreation & risk-taking
- No limits on media or campaign speech
- Hunt terrorists instead of creating them

Economic Freedom

- Free trade and school choice
- Shop for any healer or insurer
- No technology mandates or limits
- No wage or hiring rules for adults
- End welfare for corporations & farms
- Personal control of retirement savings
- Untax income, production, sales, gifts
- Tax only pollution, traffic, land value

Protect us from each other, not from our own personal and economic choices.

The smallest minority is the individual. Those who tolerate the majority's limits on individual freedom cannot claim to be defenders of minorities.

How much freedom can you tolerate?
