

Brian Holtz - Libertarian for Congress

Engineer, author, husband and father.

Fiscally conservative, socially liberal,
and not for sale to special interests.

Republicans want government to be our **chaperone**.

Democrats want government to be our **nanny**.

I want it to be just our **referee** and **lifeguard**.

Incumbent Eshoo has won 4 straight elections by a 2-to-1 margin.

Don't let the entrenched parties think your vote is automatic.

Personal freedom and responsibility.

Free and fair markets. Smart environmentalism.
