He said he had not had time to spend on the convention and Lori had to be out of town; he was expecting to have her work on the legal portion of the contract. The seating at the next convention

was discussed. It was decided to stick with the stadium seating that was agreed on at the May meeting. Speakers for the convention were discussed. Aaron said that he wanted the ExCom to pick them as much as possible.

b) Northern Vice Chair - Rodney Austin

Rodney reported that the activity in the north was normal. He reported that the Mountain View tax protest was having difficulty getting signatures. Aaron said that Gilroy only needs 300 signatures and they may go ahead with theirs.

Rodney wanted to thank Fred Mangels for his work on websites. He said that Fred has been setting up generic sites for regions.

Merced has had a couple of meetings. They have all been informal to date. The last one had 10 people.

He said that the work for the tax protest is starting in Sanger.

Burton Day has been made Chair Pro Tem in Yolo.

Wayne Williams is Chair Pro Tem in Eldorado/ Alpine.

c) Southern Vice Chair - Mark Selzer

Mark said that he was trying to do damage control for Gary Copland. He said that Gary is debating the Green candidate and the greens love him. He said that he was trying to get Bakersfield active. Ryan Gifford has been appointed Chair Pro Tem of Bakersfield. He said that San Bernardino has been having problems with a member that is disrupting the meetings.

d) Secretary - Sandi Webb

Nothing to report.

e) Treasurer - Lori Adasiewicz

Aaron Starr gave the treasurers report after lunch.

f) Executive Director – David Molony

David reported that Linda was leaving the office. Donna asked what was being done to fill her position. David said that he was still looking at alternatives. Aaron said that there was one person who was now a volunteer who will probably take it for the summer. David said that the volunteers had worked over 555 hours sense January.

He said that he signed up 17 new members at a booth at a convention. He said that the best result was to just ask people rather than only asking to send information.

He spoke on Operation Breakthrough 2.0. He updated the ExCom on fundraising. He has been working with Gail Lightfoot on the 2003 Convention.

7. Old Business

a) 2004 LPC Convention

Donna said that she was working on the RFP. She reported that there has not been a lot of record keeping and she is still doing research. David will put a notice in the next newsletter that we are looking for contractors for the 2004 convention. Donna is working on a form that the ExCom can use to evaluate the bids when we get them.

b) Operation Breakthrough

Aaron Starr said that it has been a challenge. He is taking a month off to work on it. He said that they have raised \$9000. He said that the way they were doing it was asking people to pledge based on how many victories we get. The problem is this doesn't get any money up front. He said that he is going to lend the project \$10,000. He will do fundraising based on this approach.

He said that the win rate so far has been three wins per 100 candidates.

Motion: Rodney moved to approve a resolution for fundraising.

Resolution Authorizing the Borrowing of Funds for operation Breakthrough in 2002

Whereas, the Libertarian Party of California desires to elect more Libertarians to non-partisan offices in 2002; and

Whereas, the Party is having difficulty raising contributions in 2002 to fund its successful candidate recruitment effort, Operation Breakthrough;

Therefore Be It Resolved, that the Party is authorized to borrow from the Chair and others funds not exceeding \$70,000 for Operation breakthrough with the express understanding that the

source of repayment can only be from funds pledged or donated for Operation Breakthrough on or before December 31, 2002; and

Be It Further Resolved, that the Party authorizes the Chair, if necessary, to offer a return on investment in excess of the repayment of funds loaned to the party by others for Operation Breakthrough, but not for funds loaned by the Chair.

Motion to amend: Rodney moved to strike the last whereas.

Aaron and Rodney came up with some different wording. **Failed**

Main Motion: **Passed**.

Resolution Finding Eric Lund Liable for Attorneys Fees in Connection with Collecting Money from Cullene Lang

Whereas, the Libertarian Party of California at its September 8, 2001 meeting suspended Cullene Lang's membership to the Party under Bylaw 3, Section 8 for cause in connection to her possessing Party money for which she did not have a rightful ownership; and

Whereas, former Treasurer Eric Lund issued checks to Cullene Lang outside of his authority as Treasurer; and

Whereas, the Party at its December 1, 2001 meeting censured Eric Lund for his incompetence as Party Treasurer in connection to checks being improperly issued Cullene Lang and suspended his membership for a period of one year; and

Whereas, Eric Lund and Cullene Lang share a common bank account and otherwise have commingled financial affairs; and

Whereas, Libertarian Bob Chatenever in his role as an attorney acting at our direction and on our behalf is largely credited for Cullene Lang repaying the money for which she did not have a rightful title; and

Whereas, Chatenever has requested that the Party attempt to collect the \$900 he earned for the five hours of time he spent on behalf of the Party while graciously agreeing to not charge us for his services until this amount is collected; and

Whereas, but for the actions of Eric Lund, the Party would have never had to have sought the legal services of Bob Chatenever,

Therefore be it Resolved, that the Party finds Eric Lund to be liable for \$900 for attorney fees, that a copy of this resolution be sent to him along with a letter requesting that he pay the money due within 30 days of receipt of the letter, and that any money collected up to \$900 be remitted to Bob Chatenever.
